

## **KS3 BULLETIN MONDAY 8 MAY**

### **Y12 Psychology Practical**

Our year 12 psychologists are running their own experiments as part of their A level course. This may involve them asking teachers or students to take part in tasks such as short memory tests or questionnaires. Please do not feel obliged to take part if you do not want to, they should be asking everyone permission individually, but if you feel you can spare a couple of minutes of your time, I am sure they will appreciate it hugely.

### **For All Pupils**

**From Matron: There is a School Nurse 'Drop In' today in L Centre, 12.15 to 1pm. It is open to all students and is based in the Ricardo room next door to L19.**

**If you need someone to talk to or someone to listen or have anything in or out of school worrying you, Jackie Williams, our School Health Nurse, can offer confidential advice and information.**

**You do not need an appointment just 'Drop In'.**

**To: Mrs.Probets pupils who are taught in the Soane Room of The House.**

**From: Mrs Probets**
