## BEHAVIOUR DURING THE EXAM

It is very important to remember that you are under exam regulations from the time that you enter the exam venue until the time you leave the exam venue. You must be silent unless speaking to an invigilator and need to face the front so that you cannot distract, or be distracted by, other candidates.

**Possession of a mobile phone, smart watch, any item which has a data storage device, or unauthorised material is breaking the rules, even if you do not intend to use it, and you will be subject to penalty and possible disqualification.**

You **must not** talk to, attempt to communicate or disturb other candidates once you have entered the examination room.

If you wish to have a drink during your exam, please ensure you bring in **plain water in a clear (not coloured) bottle with all labels removed**. You will be asked to keep your water bottles on the floor under your desk during the exam to avoid any spillage over your exam paper. Any other drink, or bottles not complying with the regulations will be removed and you will be able to collect them at the end of the exam.

Only certain specified resources are allowed in an exam room. The following is an indication (not an exhaustive list) of what is, and what is not allowed:

Do not draw graffiti or write offensive comments on examination papers – if you do the examination board may refuse to accept your paper.

Listen carefully to instructions and notices read out by the invigilators – there may be amendments to the exam paper that you need to know about.
