

Who can be a parent governor?

All those who have parental responsibility and are over the age of 18 are eligible to stand for election, including parents who work at the school provided that they work for less than 500 hours per year when they are elected. Any parent, or carer of a registered pupil at the school at the time of election is eligible to stand for election as a parent governor. Parent governors may continue to hold office until the end of their term of office, even if their child leaves the school.

“Parent” is defined as including “any individual who has or has had parental responsibility for, or cares or has cared for, a child or young person under the age of 18”. It includes a person who the child lives with and who looks after the child, irrespective of what their relationship is with the child. This must be someone involved in the full-time care of the child on a settled basis.

There are some circumstances that disqualify an individual from serving as a school governor, please read the list of disqualifications below:

Grounds for disqualification fall into three broad categories:

- general grounds;
- grounds that apply to particular categories of governor; and
- grounds that arise because of particular failings or actions on the part of the governor.

All the grounds for disqualification apply also to associate members except that associate members can be registered pupils at the school and can be under 18.

General grounds

Registered pupils cannot be governors.

A governor must be aged 18 or over at the time of election or appointment.

A person cannot hold more than one governor post at the same school at the same time.

Grounds that apply to particular categories of governor

A person is disqualified from being a local authority governor if they are eligible to be a staff governor at the school.

A person is disqualified from being a partnership governor if they are:

- a parent of a registered pupil at the school;
- eligible to be a staff governor at the school;
- an elected member of the LA; or
- employed by the local authority in connection with its education functions.

Grounds that arise because of particular failings or actions on the part of the governor

A person is disqualified from being a governor of a particular school if they have failed to attend the meetings of the governing body of that school for a continuous period of six months, beginning with the date of the first meeting they failed to attend, without the consent of the governing body. This does not apply to the Headteacher or to foundation governors appointed by virtue of their office.
