

Taster Days 2018

We have organised two Taster Days for Year 5 children who have not had the opportunity to visit with their own primary school. This year they will run on Thursday 21 and 28 June 2018. If your child does not attend one of the schools listed below and would like to visit Hardenhuish School for a day, please click [HERE](#) to request a place.

Places for each Taster Day will be allocated and confirmed by email nearer the time so we can ensure children from the same school visit together, therefore reducing disruption to primary schools whilst maintaining friendship groups.

Year 5 children from the following schools have already visited, or are due to visit us shortly and therefore will not need to attend an additional Taster Day: Bybrook Valley, Charter, Christian Malford, Colerne, Derry Hill, Frogwell, Ivy Lane, Kings Lodge, Kington St Michael, Lacock, Langley Fitzurse, Marshfield, Monkton Park, Queen's Crescent, Redland, Seagry, Stanton St Quinton, St Mary's, St Paul's, St Peter's, Sutton Benger and Trinity (Acton Turvill).
