

## **Hardenhuish School Homework Timetables 2019-20**

In accordance with the school's Homework Policy, to safeguard against pupils being set excessive amounts of homework on any given day, the homework timetables on the following pages should be adhered to whenever possible.

Please note that this does not mean homework will definitely be set by the subjects named on these days as *"homework should always be relevant, challenging and meaningful and, therefore, will only be set when it is appropriate to do so. We do not believe in setting meaningless tasks ... and, therefore, subjects may decide not to set homework each time it appears on the timetable"* (Hardenhuish School Homework Policy 2017).

Due to the differences in the way the lessons are timetabled in each year group, homework timetables for are organised as follows...

YEAR 7                      Organised by band and by tutor group.

YEAR 8                      Organised by band and pupils' Humanities groups\*.

YEAR 9                      Organised by band and pupils' Humanities groups\*. The various option choice subjects have one of three letter codes depending on your child's choices/timetable\*\*.

YEAR 10 & 11              Organised by band. Option choice subjects have one of four letter codes depending on your child's choices/timetable\*\*.

*\*The number of the Humanities group your child is in can be found on your child's information on Show My Homework.*

*\*\*The relevant letter code for Year 9 to 11 pupils' different options subjects can be found on Show My Homework. If you are unable to see which letter codes apply to your child/children's personal options subjects on their timetable, please call the school and we will be happy to help you.*

## YEAR 7 HOMEWORK TIMETABLE
