## **Hardenhuish School Uniform Policy**

The School uniform is important because it generates a sense of belonging and purpose, and those wearing it - Hardenhuish pupils - show an acceptance of the order and conformity needed to attain the school's high standards. Pupils represent themselves and us outside of school and are expected to maintain high standards whenever and wherever the uniform is worn, including travelling to and from school. Pupils have a responsibility to comply with this Uniform Policy. The Pastoral Managers, through the tutors, are responsible for monitoring uniform and intervening should that prove necessary. The wearing of school uniform does not apply to years 12 and 13 though a dress code is in place.

Pupils who started the school before September 2013 may continue to wear the previous uniform tie.  
Girls who started the school before September 2017 may opt to wear the winter shirt.

School sweaters, ties and some items of PE kit as listed below are only available from Hardenhuish School Uniform Shop. Purchases may be made online via the School's WisePay system or by visiting the uniform shop where a dedicated member of staff is available to assist and provide advice. School Uniform Shop opening times are published termly in advance.

All garments must be clearly marked with the pupil's name.
