Platforms for Learning

Drama:

Drama Online (National Theatre Online Catalogue):
https://www.dramaonlinelibrary.com/home
> Login details
> **Username:** 6Uh&3Kj-
> **Password:** 8Eg'4Ea&

BBC Bitesize (AQA GCSE Drama):
https://www.bbc.co.uk/bitesize/examspecs/zrnjwty

Drama student resources (Hardenhuish Sharepoint):
https://hardenhuish.sharepoint.com/sites/subjects/Dr/Resources/Forms/Tagging%20view.aspx

Drama Stream Channel
https://web.microsoftstream.com/studio/channels

Maths

Mymaths
https://www.mymaths.co.uk/
> Login: hardenhuish, password: ruler
> Pupils may have been set up with individual accounts to allow them to access the portal. These would have been sent to the pupil via their school e-mail address.

KS3 & KS4

Corbett Maths
https://corbettmaths.com/
> Access to free videos, practice questions

Dr.Frostmaths
https://www.drfrostmaths.com/
> Access to free resources & practice questions.
> Pupils may have been assigned to a maths class by their teacher to receive e-mails linking to complete set tasks(homework or assessments).

KS5

Integral Maths
https://integralmaths.org/
> 897AL-first initial then surname, password was set individually (can request a reset by emailing PXC)

Desmos:

https://www.desmos.com/

- Students should have set up their own account but this is not a necessity.

Class OneNote : Accessed via link sent by teacher.

SCIENCE

SAM Learning: www.samlearning.com
The Centre ID is SN14HS.

The username is your date of birth followed by you first and last name initials (e.g. the username for Joe Bloggs born on 1 January 2000 would be 010100JB). The password is the same as the username (unless you have changed this whilst using SAM Leaning in the past).

www.Echalk.com
User name: Hardenhuish; **Password:** echalk
www.Senecalearning.com
Students create their own logins for this and can chose which email address they link to their login though we recommend they use their school logins. Staff will send links to the assignments through SMHW.
www.kahoot.com
Codes are generated and sent to students via SMHW. **No logon required.**

MUSIC

https://hardenhuish.musicfirst.co.uk/app/profile
Log in **using your Hardenhuish user name** (BLOGGSJoe) and **password = harden followed by your SURNAME** (hardenBLOGGS)

MFL

MFL KS3 only

Linguascope Vocab and grammar practice. www.linguascope.com
Username: Hardenhuish
Password: languages
ActiveLearn Course Book and activities.
https://www.pearsonactivelearn.com/app/home
Username and password generated and sent to students via email or SMHW. These are individual to each student. The following should work:
1.Go to https://www.pearsonactivelearn.com
2.Click on Log in
3.Your username is your first name (first letter is a capital) ,your surname in capitals followed by number 6
Example: Boris Johnson's username would be BorisJOHNSON6 and Donald Trump's username would be DonaldTRUMP6
4.Your password is ChangeMe973 (you can change this once you have logged on)

MFL KS4/5 only

Teams Assignments, feedback and communication in general
Students log in through Office 365 using their school logon details

Kerboodle   Course Book and activities

https://www.kerboodle.com/users/login?user_return_to=%2Fapp

Username and password generated and sent to students via email.
These are individual to each student.

BBC Bitesize for KS3 Range of interactive activities

https://www.bbc.co.uk/bitesize/levels/z4kw2hv

May need to sign in to the BBC

MFL Any year group

Quizlet   Vocab practice

www.quizlet.com

Username: pupil's own or school email
Password: pupil's own

> Quizlet does not require a school account, but some staff may have set up classes in which case they will have shared a link to the class. Most activities and tasks can be undertaken without a class link, but progress won't be visible to staff. We advise students to create accounts with their school email.
> A link is sent to students to access specific quizlet content.

Pear Deck   Interactive PowerPoint presentations

https://app.peardeck.com/join

There is a unique code generated by their teacher to join the presentation. There is no login.
The presentation may be live, or it may be student-paced, meaning they can navigate through the slides and drag, draw and rearrange things at their own pace.

Kahoot   Online or self-paced quizzes

www.kahoot.com

Codes are generated and sent to students via SMHW. No logon required.

Languages Online   Vocab and activities

https://www.languagesonline.org.uk/

Free – no logon required

❖ **Other websites used during school closure**
