

# A level Politics Induction Work Overview

## Welcome!

- Hello and welcome to A level Politics! This is the topic for all those would be MPs, Prime Ministers or those interested in the way the world works. We will take you through the way our country's democracy works and then into next year, we begin to have a look at global issues such as poverty, war, human rights and creating a global community. To ensure you are prepared for this fascinating look at the world we live in we have prepared some tasks to give you a taste of what is to come

## What work is being set?

- In this second phase, you have been set the following work:
  - You can choose to create a OneNote document to house all of your work, which you can share with your teachers and then continue to add to when we start the course or you can compile your work on Word. If you do it on Word then please upload your work onto the new Teams subject site (you'll be sent a link to join this), where you can upload work onto the CLASS NOTEBOOK tab under your name.
1. Investigate how coronavirus has been presented in the news
  2. Create an eight-question news quiz which can be used in the first week of the new year (on Kahoot, Microsoft or Google forms or paper, but include the answers)
  3. Discover Parliament
  4. Introductory videos and make notes

## How long should I spend on this work?

- It is expected that you spend five hours on this first phase of work.

## Who should I send this work to and / or who should I contact with any questions?

- Mr Arkinstall – [PDA@hardenhuish.wilts.sch.uk](mailto:PDA@hardenhuish.wilts.sch.uk)
- Mrs Simson – [pjs@hardenhuish.wilts.sch.uk](mailto:pjs@hardenhuish.wilts.sch.uk)
- Mr Woollin – [JMW@hardenhuish.wilts.sch.uk](mailto:JMW@hardenhuish.wilts.sch.uk)

## How and when to submit work?
