

A-level Spanish Induction Work – Phase 3 –

This is the final part of your Induction Work so we will focus on getting you ready in terms of resources and final notes.

Thanks for sending me all your work from Phase 2, I am very glad to see you have learned loads about Spanish society and current affairs.

If you are going to join us in September for Spanish A-level, you can start getting all your necessary resources ready:

- Year 1 textbook. You will have access to a digital copy of the book but some students like purchasing their own to take notes on it. (AQA Spanish A Level Year 1 and AS by Oxford University Press. ISBN: 978-0-19-836690-4)
- Volver Study Guide. Some students prefer getting a copy of the study guide for Volver, the film you will be studying the next year that will be assessed in the Writing component of your A-level exam (Modern Languages Study Guides: Volver by Hodder Education. ISBN: 9781471891786)
- Grammar workbook. Some students feel they need to do more work on grammar apart from what we usually set and decide to purchase a grammar booklet. You can buy any you like, we follow the AQA exam board for your A-level exam.
- Spanish folder. Please get a A4 ring binder with 10 dividers: 6 modules, grammar, vocabulary, Volver, extra research

We would like you to complete this work by **Thursday 2nd September (Induction Day)**.

Grammar revision (around 2 hours)

I am very impressed with all the work you have completed in SENECA and I am very pleased to see that you all have a strong grammar knowledge, which is essential for Spanish A-level so that we can focus in the more interesting aspects of the course. I have set you some more complex tenses like the subjunctive this time.

In case you are, you need to click on **Classes** and introduce our class code: h9k2xuhty1. If you go to the tab **Assignments**, you can see all the tasks I have set (estimated duration 57-95 minutes).

You don't have to do all tasks at once, you can complete tasks in different stages during the summer.

I would also like you to complete the online tasks in the link below and take some notes about verbs followed by certain prepositions:

<https://www.profedelee.es/actividad/gramatica/verbos-con-preposiciones-complemento-regimen/>

* We will be able to see your progress in SENECA. This information will be very valuable for us to pitch our grammar work in September.

I hope you have found this Induction Work useful and that you are feeling as excited as I am about starting the course in September.

Please do not hesitate to contact me if you have any further questions about Year 12 Spanish or if you would like any extra work as I always have tons of fun activities to do online.
