Do some Career Planning

Complete the activities for Year 11 or 12 on Careerpivot to help find the right career for you:

[Careerpivot : Get information : Other support : Start here by year group](#)

Develop some Skills

Try some of these short online lessons to develop some skills in teamwork, leadership, listening, speaking, problem solving, creativity, staying positive and aiming high.

Choose the step number 11 (for Year 11) and then click on the skill that you want to develop and complete the short lessons:
