

Volunteer Vacancies In-school mentor - Chippenham

Mentoring provides children with an independent listening ear. It's quality 1-1 time with a positive, interested and enthusiastic adult who only has the child's best interests at heart.

Volunteer Mentors support primary aged school children at weekly, afternoon sessions during the school day, within the school setting.

No experience necessary as full training and ongoing support are provided but an easy rapport with children and a genuine desire to support are important.

A commitment of at least 6 months is required for these roles.

To find out more please join us on Weds 14th Sept for our Mentoring information morning or contact Vicky Watt, Volunteer Coordinator for more details on 01249 464008, vickyw@therisetrust.org
