

Y10 Maths

GCSE Statistics

Mr Townsend

Lead Teacher for KS4 Mathematics
& 2nd in Faculty

Course overview

GCSE Statistics - Exam board - Pearson Edexcel

Two exams at the end of Year 10:

- Weds the 5th June (Afternoon)
- Mon 17th June (Afternoon)

Both papers are 1h 30 minutes and out of 80 marks.
A **Calculator** is required for both papers.

Tier of Entry

Higher: Grades 9 – 4

Foundation: Grades 5 – 1

We review tier of entries on a regular basis, so that pupils are entered for the most appropriate exam.

How to revise

- Some revision in class once course content covered.
- Independent revision important to perform their best.
- Use the revision list (to be issued) to revise the whole course.
- Websites to revise from:
 - 1) DrFrostMaths.com (individual logins for each pupil)
 - 2) <https://mrshodgettsstatistics.com/103-2/>
(no login needed)

What can you expect from us

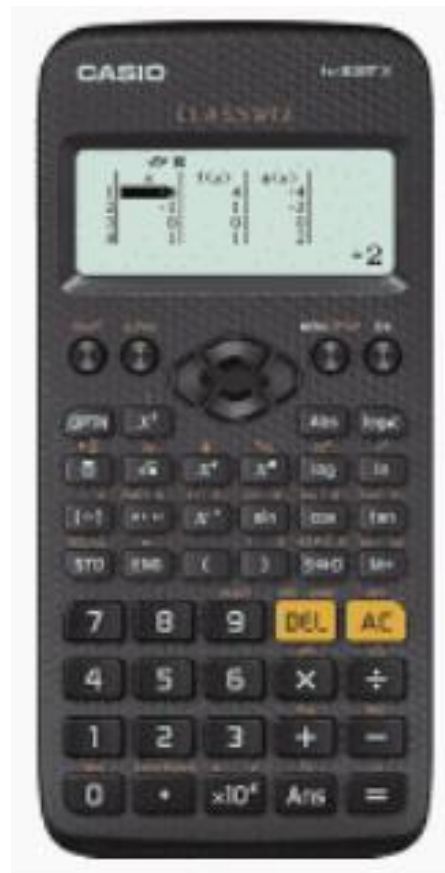

- 1) Past papers issued to pupils to complete from February half term.
- 2) KS4 Maths Club every Thursday lunchtime in M3/M4.
- 3) Ask teachers for help.

Equipment

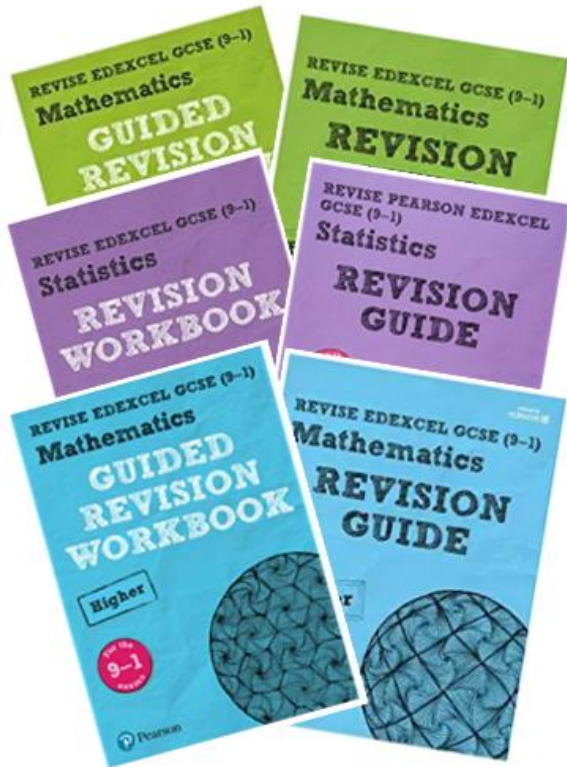

- Pen, Pencil, Ruler, rubber and pencil sharpener.
 - Geometry sets are also needed when pupils are asked to measure angles or construct diagrams with a compass.
-

Calculators

Revision Guides

You don't have to get the guides we recommend but make sure it is Pearson Edexcel and the correct tier of entry for your child in GCSE Statistics.

Any questions?
