### Re: Home School Agreement

Dear Parents

At Hardenhuish we value the Home– School Agreement, as it reinforces our philosophy that education is a three-way partnership. It was produced after considerable consultation with parents and pupils, and promotes open communication between the School, parents and pupils.

We hope that you will welcome the aims outlined in the document and invite you and your child to sign in the relevant spaces of the form linked at the end of this page.

Thank you for your time and consideration.

Yours sincerely

**Lisa Percy**  
Headteacher

### HOME SCHOOL AGREEMENT

**Every Child has the right to an education (United Nations Convention on the Rights of the Child Article 28) to support this Hardenhuish School will aim to:**

- provide consistently good education, including through homework and extra-curricular opportunities, so that all children reach their full potential;
- treat pupils and parents as individuals, and with respect, ensuring that parents are kept informed at all times;
- provide a safe purposeful and positive working environment so that pupils enjoy learning and meet their potential;
- encourage pupils to become independent, but respectful of others;
- expect pupils to attend both regularly and punctually and support the pupil and parents if this should prove difficult;
- listen to the concerns of pupils and parents and act on them fairly, promptly and appropriately.
