🌶️ Bang Curry Day at Hardenhuish! 🌶️

Just before half term, we welcomed **Mariam from Bang Curry** into our kitchen to help give our menu a delicious twist! Alongside some fantastic curry dishes, we introduced a range of exciting new options including curry-inspired pizzas and open wraps, giving students the chance to try something a little different.

The response from students was brilliant. The different flavours proved really popular, and all of the dishes seemed to go down extremely well. It was great to see so many students enjoying the new menu and being willing to try something outside of their usual choices.

A huge thank you to **Mariam** and the **Bang Curry** team for supporting the event and helping us create such a memorable food experience for our students.

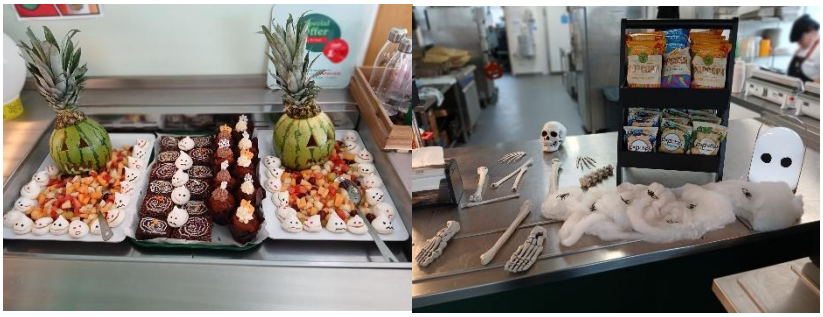

Take the Flavour Home!

We were also give a number of **Bang Curry Kits** that will be passed on to Pastoral and Learning Managers to distribute to students. This means some of you will have the opportunity to recreate these amazing curries at home and share the experience with family and friends.

Thank you to everyone who took part and made Bang Curry Day such a success! 🎉🪔
